I understand that I am applying for utility services (water, sewer, garbage, and storm drain fee) with the City of Washington Terrace for said premises. I have also agreed to pay the set-up fee. I hereby understand and agree to pay for utility services set by the City beginning on the date that I took ownership of property. In the event of failing to pay for utility services by the due date, I understand that the City will impose late fees, shut off fees, deposit fees and other additional fees which I am responsible to pay. In the event that the above property is vacant or not in use, I understand that I am still responsible for the monthly bill regardless of water usage.

I understand that the City shall have the right to shutoff services for non-payment at any time. I also understand the City will take all necessary action to collect delinquent accounts. I agree to pay all additional fees including but not limited to attorney fees and collection fees. I also agree to be bound by all rules and regulations of the ordinance of the City for the control of utilities services. I, as the property owner understand that I am responsible to notify the City if any changes in address, renters, or status. If address is used as a rental property I understand that I must abide by all City rules and ordinances. I also understand that I must apply for a business license. I also understand that as the owner of the property I am ultimately responsible for all charges on the account.
